Here is a list of types of support EPA has provided in the WV spill. Hope this helps in future questions. Linda and Mark

Types of EPA support

Provided Assistance to WVDEP with development of air and water monitoring strategies, provided assistance with implementation of sampling and analysis plans as requested by WVDEP

Assisted facility with review of safety plans

Provided consultation and technical assistance to WVDHHR regarding Safe Drinking Water Act requirements and drinking water treatment plant concerns.

Obtained corporate information on the facility.

Coordinated with USCG and WVDEP to approve the facility plans for boom and drain systems

Provided consultation and assistance to WVDEP regarding the site remediation plan development, implementation and oversight.

Participated in the Bankruptcy proceeding to ensure that funding is made available for Freedom

to continue cleanup efforts

Worked with WVDEP to identify the chemicals involved in the discharge, as well as other chemical stored on site.

Assisted WVDEP with consideration of various funding options for future site remediation

Continuing to investigate EPA's legal authorities and obligations.

Consulted with other federal agencies on review of protective levels of spilled chemicals in drinking water
